Dear Parents and Carers,

I can’t quite believe it is that time again and a fortnight has passed since the last newsletter – however, as always, plenty of news and events to fill you in on. It is always a great way to start the day when the pupils deliver the school assembly and this morning we saw just that – well done to Miss Lane and 8KL for their super assembly; as always, so much effort and hard work had been put into their presentation.

We also saw 6TF present their Tutor assembly last Friday on happiness – an equally inspiring and enjoyable assembly. A big well done to you all! It is my turn to take assemblies next week and there is a big challenge ahead for myself and for all the staff and pupils.

As you are aware, we are desperately trying to raise the money we need to match the Sport England Bid so we can extend and have brand new sports facilities this coming summer but we are still a few thousand pounds short. To link in with sport and to involve the pupils, I decided to enter the Reading Half Marathon next month for sponsorship. I have also planned a sponsored run for ALL pupils and there are prizes for tutor groups who can raise the most money. This will all be launched in my assemblies next week – followed with information on sponsorship. I run the 13.2 miles on Sunday 3rd April and the children will run with me, just for a small distance/set time, on the first Thursday back after the Easter holidays – weather permitting!!!! For those who can’t run, or poorly/injured, walking will be completely acceptable; it’s the joining in and taking part that counts!! I thank you all in advance for your continued support and let’s hope we can raise lots of money. Photos will be published after the events!

As well as sport, Trevelyan are hosting our annual Young Musician of the Year concert this coming Monday, starting at 7.00pm. It is a short concert where pupils will perform on stage to their chosen music – they have all auditioned and all been chosen for the finale. There is a real mix of passion and talent so please ensure you have completed your slip, or contacted the school office, if you haven’t yet got your ticket. There is no cost involved and refreshments will be available on the evening. A big thank you to Mr King and to Mrs Wooders for the organisation of this event.

Aside from sport and music, of course there has been plenty of work, learning and assessing going on and we hope you all enjoy reading your child’s mid-term report this afternoon. There is plenty of information coming home today and this will be discussed with pupils themselves on a one to one basis with their tutor next Tuesday afternoon in Tutor Progress time. Then, following that, parents will be invited in to speak with individual teachers for your annual Parents’ Evening – the first one is next Thursday from 4-7pm for all our Year 6 parents. If you have not already completed your child’s
planner with an appropriate time for this event, then please do so immediately and we
thoroughly recommend all parents/carers attend this very important evening. All other
year groups are after the Easter break – see website for dates.

Yesterday the whole school ‘dropped everything to read’ at 11.30am – there was an
eerie silence across the whole school where pupils and staff alike just picked up their
reading books and enjoyed some well-earned book time. This all took place on World
Book Day and there were also plenty of quizzes, competitions and reading activities
taking place across the school. This culminates in an author visit next week; more
information to follow.

It’s that time of the year again when we say goodbye and bon voyage to Mr Clarke,
Miss Lane and Mr Redman along with all the skiers; off to Mayrhofen in Austria for 7
days. They fly next Saturday morning (12th March) and we wish them all a wonderful,
safe and happy holiday!

As always, we hope you enjoy reading our latest news and successes and we will
further update you during the last week of term in our next edition. This will also contain
all the finite details of the sponsored run and also any forthcoming dates for the diary.
I wish you all a lovely weekend.

TRIP TO THE FRENCH INSTITUTE.

On 2nd March, 30 Year 5 pupils went to London to visit the French Institute. The
Institute has the main aim of helping to promote not just French language skills but all
the French culture. The building houses the largest French library in the UK and even
has an online library of French music and books at
http://www.culturetheque.com/EXPLOITATION/GBR

We spent the morning in the Quentin Blake children’s library, using French books to
find out about French cuisine. Did you know the French cooking has the same
UNESCO protected status as Stonehenge? In the afternoon, we watched the film “Ma
maman est en Amerique et rencontre à Buffalo Bill”, which is a César nominated
animation, in the ciné lumière at the Institute.

Khadija in 5JB wrote, “I loved the trip because we had orange juice and we had
croissant plus we watched a fun, but a bit sad, movie. Thank you to Miss Kopacka for
planning this trip.”

ROYAL HOLLOWAY SCIENCE AND COMPUTING OPEN DAY.

It’s that time of year again, when Royal Holloway University in Egham throws its doors
open to children (and their parents) to come and experience the wonderful world of
Science, Technology, Engineering and Maths.

It runs from 10.30am until 4pm on Saturday 5th March.

Highlights this year include Birds of Prey Demonstrations, the Ugly Animal
Preservation Roadshow and Punk Science (live experiments brought to you by the
Science Museum).
As per usual, Mrs Wooders and Mr Jerrold are offering housepoints to any pupil who comes to them and explains that they have visited the open day and what they have learned from their trip.

The full programme of the day can be found here: https://www.royalholloway.ac.uk/science/documents/pdf/8016-science-festival-programme-2016-final.pdf

ACCELERATED READER WINNERS:
Congratulations to our AR winners for last week:
Year 5:  Issy Wise,  
Freddie Chandler  
Khadija Bi  
Jemima Gregory  
George Dearnaley

Year 6:  Sara Khan  
Tiggy Morris  
Thomas Clark

Year 7:  Juliet Bryant  
Mate Bagi  
Maleeha Chandhar  
Kush Sagar

Top classes this month:  
5BD  
6SS  
7DE

AUTHOR EVENT – ANDREW COPE WEDNESDAY 9TH MARCH
Just a reminder that Andrew Cope will be visiting year 5 and 6 next Wednesday 9th March. Please make sure any order forms for books purchased for Andrew to sign are returned to Mrs Flory before that date. Although there may be copies for sale on the day please use the order form attached last time if you want to be sure of your copy.

MATHEMATICIAN OF THE WEEK
Phoebe Gorton for always working her socks off and trying her best!
Katie Tull for being an excellent example to others and completing her work to an excellent standard.
Zein Darouzi for shining this week with her excellent fraction work.
Lewis Smith for making outstanding progress in his fraction work, but mainly his excellent attitude.
Ellie Dearling for always working extremely hard and trying her best in everything she does.
I am very proud of all of these pupils.

Miss Lane

EAT LIKE A CHAMP

Mrs Leach is starting a club called Eat like a champ on Tuesday lunch for Y5, limited spaces (up to 15) from 12.30-1.00 for 6 weeks. Pupils must be committed to the full 6 weeks. They will learn about healthy eating and the importance of being active, and also learn and practice a few dance moves. Pupils and parents will be able to access the website and unlock rewards and recipes: eatlikeachamp.co.uk. Our school log in is ‘sue4food twice’. Pupils interested will need to see Mrs Leach next week and complete a slip with name and form.

YEAR 5 P2i PROJECTS

I have been astounded by the creative ideas that have been brought to life by the Year 5 pupils for their Computing P2i. I have recently received the final two forms’ worth of projects and I’m looking forward to announcing three winners. Prizes are on their way later this month and feedback will be given over the next few weeks.

Mr Jerrold

YEAR 7 COMPUTING CLUB

Every Thursday in room 16 from 3.30-4.15pm. This is for Year 7 only. Spaces are limited – first come, first served.

Starts on Thursday 10th March 2016.
Deadline for places: Monday 7th March.

Mr Jerrold

NEWS FROM PE DEPARTMENT
GYMNASTICS

As mentioned briefly in my previous newsletter, Trevelyan hosted the First and Middle Schools’ Key Steps gymnastic competition on the 25th Feb. We had 8 teams of 4 Year 5 and 6 girls who entered into the competition. The gymnasts had to do set routines in Body Management, Floor exercise and Vault. Trevelyan managed to come first in each activity and winning the overall competition - with the following going to the Berkshire Youth Games final and representing Windsor and Maidenhead: Freya 5BD, Sara 6LM, Jemina 5JJ and Anna 6MJ. They will compete on Mon 7th March – good luck girls!!

FOOTBALL

Trevelyan’s yr6/5 football team played South Lake School from Reading on Monday 22nd Feb in the quarter finals of County Cup. The boys played excellent with some good passages of play and were unlucky not to go into half time leading. The pressure managed to count in the second half with Kyle Hadley putting away an excellent goal, after the keeper saved his first shot. He then managed to chip the keeper. Trevelyan held on to win the game 1 – 0, meaning we march on to the semi’s. The whole team played very well, but Sam and Tomiwa at the back were outstanding.

GYM AND DANCE SHOW 2016

The Gym and Dance Show tickets are now on sale at the office £3 a ticket. The shows are Monday 21st March and Wednesday 23rd March from 6.30 – 8.30pm at Windsor Boys School.

SAINSBURY VOUCHERS

We have collected just under 500 active kids vouchers so far, where we can get free cooking and sports equipment. Could YOU ask family and friends to collect so we can achieve our next goal of 1000? Thanking you for your continued support!

HOMEWORK CLUB SUPERVISOR

Trevelyan Middle School currently run a Homework Club for our pupils on a Tuesday, Wednesday and Thursday from 3.15pm to 4.30pm.

We are currently looking for someone who would be able to work part time from 3.00pm to 5.00pm 3 days a week term time only to supervise the children. You would be required to oversee the children having a snack and then supervise them in the
library completing their homework. Some IT and previous experience working with children although not essential would be welcome.

If you are interested in this position in the first instance please contact the school office on 01753 864371 or office@trevelyan.org.uk.

**GRAPHIC DESIGN??**

Do you know anyone who could help us improve our school environment? Help us with the interior design in Trevelyan Middle School? We would like some advice/support in how to make the school more attractive – perhaps signage on walls, images, timelines, departmental and inspirational quotes. If you know anyone who could help us, please contact the school office.

**PTA**

It was a real shame this week we had to cancel our family quiz night – we had absolutely no support or interest in this event? Do you know what we could do or do you have any suggestions on events we could hold that would be popular? Please feel free to phone or email us with your suggestions. We are still struggling to raise enough for our Sports England Bid so we welcome any suggestions. Mrs Chandler has her big run coming up which also involves a whole school sponsored event; a big cake sale has been organised as well as a date in May for our family Fun Day – what else can we add to our diary?

We hope you have enjoyed this newsletter and our final edition will be published during the last week of term. Reminder we finish at lunchtime on Thursday 24th March for our Easter holidays. Have a lovely weekend.

**Mrs Chandler -** Deputy Headteacher
If you like Nando’s you will love Quirkey Bird.

**Meal Deal Prices**

1 piece of Chicken & 2 sides  
Price £1.90

2 pieces of Chicken & 2 sides

(Personal callers only,
a booking fee may be payable)
Royal Free Singers’ Spring Concert 2016

Like his penultimate Mass, the "Great" C minor Mass, Mozart never completed his last, the Requiem (K626). Unlike the C minor Mass, however, it was written to a commission and in order to fulfil this and not risk forfeiting the fee, his widow Constanze asked Mozart’s pupil Süssmayr to complete it from the sketches Mozart had left of the unfinished movements.

The other works in the concert are a performance by the Orchestra of London of Mozart’s last symphony, the Jupiter, composed in 1788 and the incomparable motet Ave Verum Corpus, Mozart’s last completed sacred work, composed in June 1791 only a few months before his death.

ORDER FORM

Please send me ______ tickets at £15* each for the Royal Free Singers’ concert in Windsor Parish Church on Saturday, 19 March 2016.

Special block booking rates for churches and other organisations - 10+ tickets 20% discount, if booked in advance.

Accompanied children: £1 for under 12s, £5 for 12-16 year olds, limited to one accompanied child ticket per adult ticket bought.
