A very warm welcome to the penultimate newsletter of 2015 – just 2 weeks left of term but what a busy fortnight we have planned..

It was great to see parents and carers of 5DA last Friday, coming to watch their children perform in their first tutor assembly - it was fantastic. We look forward to welcoming 6SS parents and friends this coming Friday at 8.45am for their Christmas assembly.

All parents should have received their child’s ATL report last week; a lot of questions have been pouring in. We will address your queries in a follow up but hope you found the accompanying information helpful. It is a very different way of assessing and showing progress and all schools are working hard trying to find the right way of displaying this. Your child will have the opportunity to discuss their ATL will their form tutor on Wednesday afternoon, before your turn on Thursday evening. Hopefully this will help make sense of the Government’s new initiative to eliminate levels!!!

For those who came along on Thursday afternoon to our Christmas Market – thank you. It was a fantastic afternoon and all stalls were busy and full of fun and laughter. A massive thank you to Mrs McLeod and Mrs Major for the work beforehand, as well as Claire Wheeler, Lizzi Edwards and all the other PTA helpers for their continued hard work and efforts on that afternoon. Loads of staff helped and supported us after a very long term so hopefully we raised a large amount towards our Sports Bid. We will announce the total made in our next newsletter with photos of the Christmas market too.

Please see the photo below of our most senior pupils proudly wearing their new school jumper presented to them by Mr Clarke this week.

We hope to slowly phase in this new jumper but in the meantime, pupils who show positive contributions to the school can be recognised with one of these honour jumpers with the gold stripes. The Head Girl and Boy, Deputies and Senior Prefects are delighted with their new uniform!
From the OFFICE

I have just received a ‘very polite’ phone call from one of the corporals at the barracks, as well as a visit from PC Race, about the children who thought they were being followed on their way home from school.

PLEASE can we relay to ALL pupils that if they are on that stretch of road between us and the barracks and they find themselves in danger, or feel they are being followed, they can speak to one of the guards who will look after them and call their parents to collect them. Nice to know the community are there to help!

MATCH ATTACK

Due to some incidents with these cards, as from now Match Attack are banned from school!! If they are seen they will be confiscated until we break up for Christmas holidays. Thank you for your support.

NEWS FROM THE PE DEPARTMENT

Year 8 Netball on Wednesday 25th November @ Furze Platt

The A team had two matches and won one against Newlands 6 – 0 and lost one against Claires Court 16-1.

The B team had one match against Dedworth Middle and won 1-0.

Year 7 Netball on Wednesday 2nd December @ Furze Platt

The A team had one match but lost 11-1 to Charters School.

The B team had one match and won 5 – 1 against Holyport College.

Well done to the A team player of the match, Flora Broad, and the B team player of the match, Katy Anderson.

On Thursday 10th December, we have 6 Gymnasts taking part in the KS3 Gym show which we are hosting here at Trevelyan. We wish them luck. News to follow in the next newsletter!

House Matches are to be held w/c 14th December. Girls will take part in Netball matches and Boys in Football matches during various times during their allocated days. Pupils can come into school in their PE kit and stay dressed in these warm, comfy clothes for the duration of the day- obviously only on the days they are playing!. Details of what year groups are playing on which day is below:

Monday 14th - ALL YEARS

Tuesday – 15th Year 6, 7, and 8
Football Match v Willowbank. Report by Tomiwa Abiola and Louis Toy

Everyone played really well in the match against Willowbank. In the first half the score was 3-0 to Trevelyan and in the second half we secured a win for Trevelyan 7-0. The following people scored: Jakob Bates, Kyle Hadley, Remy-Lee Bennison, Stoyan Ilkov. The ‘man of the match’ was Remy. Well done to us all – it was a great win!

PUPIL OF THE WEEK

Year 5 – Stoyan Ilkov - always helpful, confident in a variety of sports, great team player and 100% effort.

Year 6 – Ibraheem Kiyani - tries hard in all lessons, sets an excellent example of behaviour and is always willing to help staff and other students.

Year 7 – Harriet Moss - excellent effort and all round attainment, enthusiastic, energetic, an excellent team player and peer coach

Year 8 – Madison Fetigan - great team player, organised and reliable, helpful and a pleasure to teach.

HOUSEPOINT TOTALS FOR NOVEMBER

Well done to 5RW who got to go into lunch early last Friday!!

MATHS P2I

Monumental Maths P2I's!

We are amazed at the high standard of Maths P2I's this year. The P2I's have been simply monumental! Our classrooms have been transformed with the Eifel Tower, Leaning Tower of Pisa, The Empire State Building, BT Telecommunications building and many more, but what was brilliant to see is that the pupils didn’t forget to find the Maths behind these monuments.

We have rewarded every P2I with 5 house points each and individual certificates and prizes have also been awarded. We have had the highest number of top awards this year and found it very difficult to choose the first prize winners. The level of effort was phenomenal and we are very proud of the year 6’s for their hard work.

Thank you for supporting your child at home with this P2I.

1st Prize winners:
Indy Finke
Brooke Wishart-Dodd
Ruby Wheeler
Olivia Burke

Special Mention prize
Jack Hebbert

Highly Commended prize
Joshua Askew
Zein Darouzi
Ellie Dearing
Kirsty Elderfield

Tallulah Gregory
Archie Hocking
Gurkirit Jagdev
Azaan Khalid
BAM Christmas Competition!!!

Less than 2 weeks to go before the BAM competition ends! Try and help your child to get as much practice as you can on their BAM targets. All you need to do is sign the target sheet every time you have helped or seen your child practice and then in the last week of term your child can bring their BAM sheet in for their teacher to see.

MyMaths is a great resource if you are unsure what method to use or what one of the targets mean because all you need to do is type it into MyMaths and it will provide a lesson for the subject and activities to practice as well.

BAM stands for Build a Mathematician and we believe by making these small steps towards their BAM targets your child can build themselves into a brilliant Mathematician!

The Maths team are really looking forward to seeing their achievements and can't wait to choose the winner in their class. Certificates and rewards will be given in recognition of effort.

To help you along the way we have included some fun ideas for supporting your child in their maths at home.
Collins year 5 and 6 study guides.
CGP year 5 or 6 study guides and question books.
WHSMITHS have a range of fun activity books.
MyMaths (pupils have login details)
Here are a list of websites that promote a fun way to learn with free, online interactive Maths games and puzzles.

For information on what your child is learning please go to the school website, search curriculum, maths and Pupil Targets. You will find a parent support pack and parent tool kit.

For information on the calculation methods that are used at Trevelyan please go to the curriculum section, maths and Calculation Policy.

We hope you find this information helpful.

Have fun!

The Maths Team
**Tubs 4 Tablets**

We have so far received 20 foils from Flora margarine tubs – thank you ever so much to parents and carers who have collected them and placed them in the red box at reception. We only need 30 more to get one tablet! Time is running out – we have until the end of term. Thank you again for those that have contributed.

*Mr Jerrold*

**ENGLISH WINNERS**

Purple pen stars:

**Year 5:**
- Thea Perkins
- Nawshin Shelim
- Kairav Singh
- Issy Wise
- James Miller

**Year 6:**
- Noah Shoesmith
- Ruby Wheeler
- Alex Silk

**Year 7:**
- Kiera Devlin
- Harriet Moss
- Eliza Bean

**Year 8:**
- Charlotte Burke
- Jagraj Pattar
- Matvei Morozov

**The free Groupcall app to lower our costs when texting.**

In order to save the school money, please install the Groupcall Xpressions App, if you have a smart phone. Please follow the instructions below:
1. If you have not already done so, install The Xpressions App.

I have an Apple device | I have an Android device.

2. When you have installed the app, open it and enter your email address then click ‘Next’.

3. Enter your mobile number and click ‘Next’.

If your details do not match the school records you will see the text ‘incorrect answer’ in red below the box. Correct and click Continue.

All personal details will be taken from the school records, so the information you provide needs to match what they have on file. If you are unable to enter details successfully you will need to speak to your school office. If you are sure you have entered information correctly but you still see an error message, it is likely that the school records are incorrect so please contact the school.

When you have entered details correctly you will receive a text message to your mobile phone containing a 6 digit code.

4. Enter this code on screen.

5. Press ‘Login’.

If you do not receive a code, use the ‘Resend Code’ function. However there can be delays due to mobile phone providers and other factors outside of the control of The Xpressions app and the school so please wait for at least 5 minutes and ensure you are in an area with mobile phone coverage.

Many thanks

**PTA CHRISTMAS DISCO**

Christmas Disco

Thursday 17th December

Tickets on sale Tuesday 8th December through school office.

Information home this week
