The final week of term is here and what a very busy week it has been - the skiers returned home last Saturday in the snow after an amazing time in Austria. We also had a visit from Years 3 and 4 from Clewer Green who came to work alongside Mrs Wooders and some keen Year 8 helpers who carried out a variety of Science experiments which the younger children thoroughly enjoyed in Science week. They got back to Clewer Green and spoke highly of their few hours in Trevelyan.

Last week we also held a parent evening on online safety as it was an evening requested by the parent forum for helping adults understand the importance of keeping their children safe online. Thanks to Mrs Dixon and Mrs Southard who ran and planned the evening and thank you to all those who wrote in with their positive comments about the evening. Please do share with us any other ideas you may have regarding information you require from the school. On the subject of safety and mobile phones, we have reminded all pupils that as soon as they walk through the gate into school, between St Leonards Road and the Sports Hall, all phones and electronic devices must be put away and remain unseen until they are back out of the gates after 3.15pm. This is due to ongoing issues with social media and we would appreciate your support in communicating this to your child.

It was lovely to see so many Year 6 parents and carers on Thursday during the Parents' Evening; we hope you found the new online booking system more convenient and easier to book appointments with the staff you wanted to see. If you didn't attend, your tutor will be in touch as it is so important we convey important information regarding your child's attainment and progress, especially for our Year 6 pupils with their forthcoming SATS exams. Do get in touch if there are staff you still would like to see or speak to. As well on Thursday we had our annual PTA Easter mufti day and it was great to see so many children in their brightly coloured clothes - a big thank you for those who sent in Easter eggs in return or £1 as these are all in the process of being numbered up and prepared ready for Wednesday after school's chocolate Easter tombola. Please bring along a £1 or two if you would like to join in the fun at 3.15pm on Wednesday.

As always, at the end of a full term, we often have to say goodbye to some staff who are moving on to pastures new. As I am sure you are aware by now, Mr York is leaving us as Head of the Technology faculty and will be greatly missed for his fantastic Art lessons. Mr York commutes from the other side of Basingstoke daily and his new job allows him just a five minute walk every morning so we cannot compete with that! We wish him all the very best! Also moving away, to the beautiful sunny Portugal, is Miss Vidal. Although she has only been here a few months, the Year 5 children will miss her and again we wish her and her partner a wonderful new life away from the snowy climate in England, to the beautiful sunny Portugal. We wish them all the very best!

Please see below for all our upcoming dates. Polite reminder school finishes at 1pm on Thursday and we would like to take this opportunity to wish you all a very happy Easter and a relaxing family two week break. We return to school, usual time, on Monday 16th April. Thank you all for your ongoing support to Trevelyan Middle School and we look forward to a busy and exciting Summer term full of concerts, annual production, transition events and lots of sporting fun - including the opening of our new courts and our annual grand Sports Day! Have a wonderful Easter

Mrs Chandler – Head of School
Ski Trip
Over the past week the Trevelyan Ski Trip 2018 left for Mayrhoffen with 34 students and Mr Redman, Mrs Lane and Mrs Laidler. The annual trip touched down in Austria on the 10th of March to a very snowy arrival. 18 of the children hadn’t skied before and by the end were mastering slalom courses and all picked up medals for completing their first week of skiing. Overall a fantastic trip for beginners and those more experienced with the top group skiing a massive 26 miles on the Friday - no wonder they were all shattered by the time we landed on the Saturday afternoon. Everyone including the staff had a great time and looking forward to arranging the trip for next year where I hope to see lots of old and new faces. I would also like to thank parents and students alike for the positive messages from the trip. Mr Redman

Up-coming diary dates:
Wednesday 28th March 2018 Easter Tombola at 3.30pm
Thursday 29th March 2018 8KE assembly at 8.50am
Thursday 29th March 2018 School closes for Easter at 1pm
Monday 16th April 2018 School returns from Easter break
Thursday 19th April 2018 Y8 Parents’ Evening 4.00-7.00pm
Monday 23rd April 2018 Y8 French Trip
Tuesday 24th April 2018 Bags2School Day
Thursday 26th April 2018 8KS Assembly at 8.50am
Thursday 26th April 2018 Y7 Parents’ Evening 4.00-7.00pm

PSHE News
During PSHE we have been looking at the Green Cross Code in Year 5. Children discussed what this meant, what they knew already and were involved in a lesson and then worked as a team and were asked to create a colourful and informative poster to be entered into a competition ran by the Royal Borough of Windsor and Maidenhead. The prizes are 10 x Pogo Sticks; 2 x Garden Chess sets; 2 x Giant Jenga; 2 x Garden Snakes and Ladders sets; 2 x Garden Connect 4; and 2 x Limbo game sets which would be fantastic to win for all the children at Trevelyan. The winners are announced on Friday, however our children worked so hard on their pieces of work, I wanted to share just some of their amazing efforts! I will keep you updated with the results!

Miss Dixon
(By James Warnell, Isher Dhillion and Isaac Thornton – 5EH)

(By Olivia Skinner, Carla Bayley and Laylah Khokhar- Cottrell - 5EH)
Windsor Castle Visit
On Wednesday, the 7th of March, the year 7s had their trip to Windsor Castle in preparation for an upcoming history project on Castles. During our visit we all learnt a variety of new information including lots of experiences to take home and help us with our projects. We looked at the weaponry, armour, castle structure and much more.

The day began with a typical British drizzle, but luckily we did not get too wet and lived to survive another day (unlike some of the Kings and Queens who ventured into Windsor Castle!). Once we arrived we split into form groups with different schedules so we didn’t disturb the Queen’s well deserved peace. After 65 years reining on the British throne she certainly deserved it. First of all, we had a tour of the state apartments, Queen Mary’s vast doll house and St. George’s chapel. Many rooms stood out to us: the shield room (which showcased many shields representing each knight), the king’s dining room which contained a large long dining table and the octagonal dining room. When we saw the doll’s house we were amazed to see the incredible detail and finish on every piece of furniture from family portraits, miniature corgis’ and probably the kitchen’s sink. We were told the taps were in working order and the house had a proper water flow, to me this doll’s house had more luxury than many of the real-sized houses lived in today. If only I was small enough to live in it! It really brought a sense of the extravagance lived in by previous royalty in castles such as Windsor.

At 12:20pm we went back to the learning centre to have lunch. Even some of us were on a board from our previous experiences in year 3. However, our favourite part was when we went to see Nick - the armour and weapon specialist who only visits Windsor 3 times a year so we were very lucky to have met him. He gave us a presentation of different
types of weapons and we even got to wear some armour. It all varied from long spears to shields. Then after the short walk back to the school and 5 minutes to spare before the end of the day we were free to discuss the trip, exchange facts and look back on the day which overall was very interesting with its new and fascinating experiences it gave. Thank you to both Mr Hooper and Mr Redman who helped to arrange the trip along with all the other teachers who came along too! I think it should be really beneficial towards our History projects and will be a day to remember.

By Mia G and Nawshin  7RT

House News

The new Mearcian badge has been designed by Mr York. Please see below:

Upcoming House events:

Friday 23rd March house cross country will be taking place on the field from 3.30pm – 4.45pm, each house has entered a team of two boys and two girls, KS2 will run three laps of the course and KS2 will run four laps.

After Easter Mr Hooper is organising a House Geography Quiz, also the house council are in the process of organising Trevelyan’s got talent competition, so please look out for further details.

SCIENCE NEWS

The Big Battery Hunt

Many, many thanks for all your battery recycling efforts. We have already sent off our first 30 litre bin to be recycled and, on the 5th March, the totals were as follows:

Tilung – 29 batteries
Toethian – 251 batteries
Eadig – 435 batteries
Mearcian – 436 batteries
Arfaest – 763 batteries

There are some BIG bags of batteries still to count! The last day for the house recycling competition will be the last day of term so make sure you send your batteries in by then. After that, we will keep our recycling bin so we will be able to carry on making a difference but there won’t be any housepoints available!

PLEASE REMEMBER THAT WE CAN ONLY RECYCLE THE FOLLOWING BATTERIES: AA, AAA, C, D and 9V.

Clewer Green Science Week visit
On Monday 12th March, we had a visit from Years 3 and 4 from Clewer Green to take part in some Science activities in Lab 1. Our Year 8 pupils treated them to a whistle-stop tour of flame tests, film canister rockets, human electric circuits, cabbage juice indicators and microscope slide making. The Clewer pupils had a superb time – their only complaint was that they wanted to stay longer!! A massive thank you goes to our Year 8s, who put on such a good show and were excellent ambassadors for Science at Trevelyan. They were: Bibi Muzaffar, Katie Waterfall-Jones, Kyle Hadley, Veena Smith, Dagmar Matuchova, Tyler Williamson, Zoe Lukacsi, Zein Darouzi, Hussein Ahmed and Charles Van Der Vorm.

The Big Bang Fair
15th March 2018 at Headington School, Oxford.

‘I only have one word for this trip – Wow! See it wasn’t one of those trips where you go do one thing then leave and within a week you forget about it, this was one of those trips that stays with you. We arrived to croissants and juice. Food was our main priority when we came in to the dining hall. That was definitely the greatest and funniest way to start the day off.’

‘I have to admit that it wasn’t until the very last activity that I felt like a true scientist; probably felt like that because blood testing was left to me, and I loved it. Before that, there was river animal identifying which was great; just don’t leave your hand in the pond water for too long if you don’t like insects. Tesco workshop was for sure what Harry was most excited about – even the word Tesco got him smiling. We learnt about Tesco labs and the robots and technology used to enhance our shopping. Then there a mix between History and Science with the Bletchley Park codebreaker! Great lesson that was, using a real Enigma machine from the Second World War; I even thought of some different ways we could create codes ourselves. Though the first lesson basic science of electronics was amazing, something was just a little dodgy with a wire… Maybe it was just my inability to copy the diagram and make it 3D on my breadboard.’

‘I would recommend this trip to anybody who was interested in Science, in a heartbeat. The school was beautiful and very welcoming; there were sixth formers with each group helping and guiding us to where we needed to go – simply lovely! Thank you to Mrs Wooders for driving and organising for our group to go on the trip. We had a lovely time.’

Alix Aigle 8KS
RAF Roadshow
It’s not often that you get to set off a drone in the school hall or have a jet engine on the school premises but all of our Year 8 pupils were treated to a presentation from the RAF that did just that. During the hour, they experienced how Virtual Reality is being used to train pilots, saw dancing flames on a Rubens tube, watched the difficulties that come from someone hacking your drone and covered their ears (and held their noses) whilst a jet was set off. It was a really good introduction into the range of Science, Technology and Engineering that it needed in the modern RAF and we’d like to thank the team for coming in and, hopefully, inspiring our pupils to think about STEM careers for their future.

SPORTS NEWS

Yr 7/8 Girls Rugby
Eight year 7 and 8 girls travelled to Reading Rugby Club on Wednesday 14th March to take part in a rugby tournament. It was some of the girls’ first experience of a full contact Rugby tournament and the girls did brilliantly, winning one match, drawing another and narrowly losing three other games, what was nice to see was how much the girls improved throughout the tournament. The girls voted Martina Jimenez as the player of the tournament. Well done.

Football fixture results
Year 7 boys travelled to Ditton Park on Tuesday 6th March to play a league fixture, winning the game 3 goals to 1, with all of the boys playing well.
Year 8 boys travelled to Dedworth on Friday 9th March to play a league fixture, winning the game 1 goal to 0, it was quite a close game with some excellent chances by both teams, but the boys held on.

Year 7 boys travelled to St Bernards on Tuesday 13th March to play a league fixture, winning the game 3 goals to 0, it was an excellent performance by all the boys. They played some lovely football, the scoring line could have been greater if we took more of our chances.

Year 5/6 football team travelled to Fir Tree Junior School on Thursday 15th March, winning the game 5 goals to 0, the boys played some excellent passing football, everyone played really well even Fir Tree’s teacher commented on what good football our boys played. This means the boys roll onto the County Cup Quarter Final.

Match Report
Recently in March Trevelyan’s year 5 and 6 football team represented Wycombe Wanderers in the EFL Cup. We had to leave very early, on a cold March morning, as the tournament was in Chippenham.

Our first game was against Yeovil Town and we won 1-0. Next up was Luton Town who were a tough team to play. Although we had the most chances we lost the game 1-0. After a short, well-earned break our team faced Stevenage FC. They were a tough team, but we worked hard for our victory of 2-0.
By this time the weather was really cold. Alfie had made lots of good saves and Lockie, James and Archie had scored the goals. Defensively we were good with Thomas covering the back and the two others, Archie and Isaac were working hard on the wings. Colchester Town were up next and their team was tough as they were all from year 6. We were unlucky to lose lost 2-1 as the Wycombe Coach said we were the better team in the 20 minute match.

Finally we faced Newport County who were also a team of year 6 boys. We quickly scored in the first half and another 2 goals followed in the second half. The final score was a 3-1 win to Trevelyan.

Overall Trevelyan came third which was a good result as there were 26 teams competing for the chance to play in the final at Wembley. It was a really good day although we were all a little disappointed not to win the EFL Cup. Now we are working hard to win the county cup and put another trophy in our cabinet.

By Lockie and Thomas 6EW

---

**Acro Gymnastics**

On Tuesday 20th March we finally managed to host the KS3 Acro Gymnastics competition, having been rescheduled twice previously since January. The Acro Gym is merging dance and gymnastics to music. The aim of this competition is to see how the girls link their movement to the music. The four pairs worked so hard leading up to the competition and planned, prepared and practised their own sequences put together by them. We did very well and the scores were so close.

Joint 2nd: Cerise & Chloe and Emma & Olivia

Joint 5th: Mia & Gabriella and Amba & Anaya.

Well done girls your hard work paid off and I was very proud to watch you.

Mrs Allen

---

**Sports Relief**

This week we have been running / playing in bright sports clothes for Sports Relief. It is a shame we haven’t had our new court area to use and who would have thought we would have snow in March! Sadly the field has just been too wet to get out and take part in our Active 20 run/skip/walk and so for some children we have replaced this with something the students LOVE, Benchball! The students have loved wearing their own clothes and I have never seen such a colourful sportshall! We managed to get some
groups out on the field and saw a variation of styles of getting around the field including: old man walking with a stick, backwards walking, skipping, side stepping, running, forward walkovers, slow motion moving, forward rolls (very messy!), pigeon steps etc etc Some very creative styles! The students have really enjoyed wearing their own clothes too.

There have been some very generous donations via ParentPay and a lot of donations brought into school. So far we have raised around £900 and at the time of writing there are still some classes to take part in their allocated lessons and still payment awaited.

An update of what was raised and the winning tutor groups from each year will be posted in the next newsletter when all figures have been finalised.

Mrs Allen

World Book Day
I know there was a little mention in the last newsletter but I just wanted to say an added thank you all so much with your efforts with the costumes. Almost all children took part and it was great to see so many characters come to life. Here are the names of the overall winners:
Year 5 – Delphi Perkins and Jessalyn O’Connor
Year 6 – Ryan James
Year 7 – Adri Jahja
Year 8 – George Brooks Sayward
They each took home a voucher to spend on a book. Well done!
To finish off our World Book Day activities, we had Ali Sparkes visit Trevelyan’s pupils (Year 5 and 6) last week to promote her new book. It has been a pleasure to see so many children reading her books and I’m sure your child went home that day exclaiming how enthusiastic she was and her presentation was certainly very funny!

Mrs Thompson
YEAR 6 UPDATE:

Over the last couple of weeks the Year 6 classes have been taking their Mock SATS in English and Maths. This is another step in the journey towards May and we have been emphasising to the pupils the need to learn from what they have done both in what they know in the subjects and in how to answer the questions.

February data for Year 6 is attached.

We are now holding fortnightly Monday morning assemblies and the catchphrase is ‘Get Your Head in the Game!’ The pupils enter listening to the High School Musical song and we reinforce the message to do your best and work in lessons. The results of the Head of Year Behaviour for Learning Challenge are showing that the children are taking this message on board. Compare the scores in Week 1 with the scores for last week – they are working hard!

SAT’s Revision

With the SAT’s tests fast approaching now is the time to put in that extra bit of effort. Revising in small chunks, little and often can make a massive impact to your child’s confidence and progress. Practicing mental maths skills is essential and an easy way to boost marks - Any Mental Maths books from WHSmiths, Lett’s, Scholastic or CGP will be very useful. In addition to this Education has some practice mental maths test available to use.

Practice on weight and capacity such as; the weight of an apple or the capacity of a cup. Practice on conversions of measurements such as; grams to Kg’s, metres to Km and and so on. Reading scales is also an easy way to boost marks.

The Maths department have put together a list (found below) of useful websites and resources that might be useful to support your child in their revision.
Maths Resources (YEAR 6 SAT's)

Education City - Test practice for all levels including Level 6 - Free of charge with Trevelyan login

My Maths Boosters (all levels) - Free of charge with Trevelyan login

BBC Bitesize KS2

Mental Maths practice is essential and an easy way to boost marks - Any Mental Maths books from WHSmiths, Lett's, Scholastic or CGP.

- Woodlands Maths Zone - http://resources.woodlands-junior.kent.sch.uk/maths/
- Woodlands SAT's support - http://resources.woodlands-junior.kent.sch.uk/revision/
- http://www.compare4kids.co.uk/maths.php - This is a Maths Boot Camp with a series of activities to aid year 6 SATs. http://www.adamup.co.uk/ - Maths Adventures and Songs to help remember facts

On the Trevelyan Website in the Maths section there is a helpful document describing what each level looks like with some helpful hints for what parents can do to help at home. A very useful document for parents.

Maths Online Resources (YEAR 8 TRANSFERS)

A big thank you to our Maths Link Governor Mr Jervis who has found a fantastic Website called the Khan Academy Website. There are helpful hints and videos on the various topics and there is the option to sign up and follow your child's progress. A great resource to look at for children in all Key Stages but particularly good for Key Stage 3.

BBC Revisewise KS3

Education City - Free to use with a Trevelyan Login for Key Stage 3.

My Maths Transfer Boosters - Free of charge with Trevelyan login.

**Bags2Schools**

With the Easter break looming it may be time to sort out your cupboards and drawers. We would really appreciate your donations of clothing for our Bag2Schools collection. All we would ask is that you do not drop the bags before Tuesday 24th April as we do not have anywhere to store them. The exception to this is anyone going on the French trip who can bring their contributions into the office on the Monday that they leave.

The drop off point will be one of the parking bays towards the top of the St Leonard's road car park.

The list of items that you can donate is as follows:

- Men’s, Ladies’ and Children’s clothing
- Paired shoes (tied together or elastic band around)
- Handbags
- Hats
- Bags
- Scarves and ties
- Jewellery
- Lingerie
- Socks
- Belts
- Soft toys

- Household linen
- Curtains
- Towels
- Bedding (bed sheets, pillow cases and duvet covers)

Please **DO NOT** include:

- Duvets and blankets
- Pillows and cushions
- Carpets, rugs and mats (including bath, shower and toilet mats)
- Soiled, painted, ripped or wet clothing
- School uniforms with and without logo
- Corporate clothing and workwear
- Textile off cuts, yarns or threaded material

Any extra bags needed can be collected from the front office or black bags are also accepted. Many thanks.

**Easy Fundraising**

In order for us to raise more funds for the school we have joined “Easy Fundraising’ This is a web-based portal that allows you to shop online and cashback will be directed to the school account. There are several of these online portals but this particular one appears to offer the best choice of retailers. Here are just a few of them: Amazon, Debenhams, Groupon, John Lewis, Sainsbury’s, Marks & Spencer, Tesco, Tui, Travelodge, Ebay, USwitch & Sky. In fact there are 3,000 shops and sites to use.

To access this facility is very easy. There is a link to it on the school website. Please select ‘Our School’ then ‘Parent Shopping Portal’ which takes you directly to the link to the site. Please choose to support ‘Trevelyan PTA’, then it’s just a matter of going shopping. We encourage you to use this as often as you can so that we can start building additional funds.

There is also an app that can be downloaded to your device for ease of use too.

Many thanks in advance for your support with this.
Magpies in the Community proudly presents our Dedworth Easter Half Term camps

Early Bird Offer, limited time only £50 for the week £12 per individual day

Magpies in the Community proudly bring the local community our ever popular holiday camp this forthcoming Easter Half Term.

Our FA qualified coaches will be coaching the children a different topic each day, covering dribbling, passing, shooting and goalkeeping as well as have plenty of matches and competitions throughout the week.

Early Drop off is available from 9am for £2 cash on arrival

Course Location: Dedworth Middle School, Smiths Lane, SL4 5PE

Week 1: 4 days: 3rd - 6th April
£55 for all 4 days or £17 per individual day

Week 2: 5 days: 9th - 13th April
£65 for all 5 days or £13 per individual day

Book online
www.magpiesinthecommunity.org
