Volunteers needed:

Careers Talks

We are looking for volunteers to share their job or career experiences with pupils, starting in January 2026. Sessions will take place on Friday mornings from 8:05-8:20am. Our aim is to inspire pupils by showing them the wide range of future pathways available. If you are willing to speak to a small group about your work, please email the school FAO Miss Mowat. Whether you are a plumber, hairdresser, lecturer, scientist, nurse or bus driver – we'd love to hear from you.
