A message from Mr Strudley, Headteacher - Farewell to the Class of 2026

As another academic year draws to a close, we bid a fond farewell to our Year 8 pupils as they leave Trevelyan Middle School and prepare for the next stage of their educational journey.

Over the past four years, they have grown not only in knowledge and understanding, but as young people who embody our values of **Curiosity, Resilience, Innovation and Social Responsibility**. We hope they will carry these values with them into their new schools and beyond, remembering that success is not just about what they achieve, but also the positive difference they make to others.

We were particularly impressed by the work completed as part of the **TMS Baccalaureate**, especially the Personal Projects. It was a privilege to see the projects on display, listen to presentations and hear pupils speak so enthusiastically about subjects they were passionate about. The quality of the work was exceptionally high, the range of topics was fascinating, and many of us learned a few new facts along the way. The projects were a wonderful example of Trevelyan's values in action, showcasing curiosity, resilience, innovation and social responsibility.

As our Year 8 pupils move on, we encourage them to look back on their time at Trevelyan with pride: pride in the friendships they have built, the challenges they have overcome and the contributions they have made to our school community. We are incredibly proud of all they have achieved and look forward to hearing about their future successes.

We would also like to recognise the achievements of our pupils in Years 5, 6 and 7. Our Year 5 pupils have successfully navigated their first year of middle school, embracing new opportunities and challenges with enthusiasm. Our Year 6 pupils have shown great determination and resilience throughout the year, particularly during SATs, while our Year 7 pupils have risen to the demands of the Key Stage 3 curriculum and continued to grow in confidence and independence.

As the end of term approaches, we encourage all pupils to take a moment to reflect on the progress they have made this year and the things they have achieved, both in and beyond the classroom.

Finally, I would like to thank our pupils, families, staff and governors for their continued support throughout the year. We wish everyone a happy, restful and well-deserved summer break when it begins from Thursday next week, and we look forward to welcoming pupils back in September.

Good luck to the Class of 2026. We are proud of you, and we wish you every success for the future.

Inspire. Challenge. Grow.

Returning to School in September

The school re-opens for all students on **Thursday 3 September**.
